## 1 Introduction

- 1.1 E-ACTs Attendance Policy details what we expect from our academies to ensure we are doing all we can to support every child in our academies to have high attendance and, therefore, improved chances of achieving their full potential, succeeding at school, and improving life chances.
- 1.2 E-ACT expects high levels of attendance from all pupils. Good attendance is essential for all pupils to get the most out of their school experience, including their attainment, well-being, and wider life chances.

## 2 Background

- 2.1 The law gives the right for every child of compulsory school age to a full-time education suitable to their age, aptitude, and any special educational need they may have.
- 2.2 Where parents/carers have decided to have their child registered at school, they have a legal responsibility to ensure their child attends that school regularly. This means their child must attend school every day the school is open, except for a small number of circumstances where the child is too ill to attend, or they have been given permission for an absence in advance from the school.
- 2.3 Effective schools consistently promote the benefits of good attendance, they set high expectations for every pupil, communicate those expectations clearly and consistently to pupils and parents, methodically analyse their data to identify patterns to target their intervention, and work effectively with the local authority and other local partners to overcome barriers to attendance.
- 2.4 The relationship between good attendance and high-quality education is recognised and this forms the foundation to good attendance, delivered in a calm, safe and supportive environment in which all pupils feel safe, want to attend, learn, make progress, and thrive.
- 2.5 We recognise that some pupils find it harder than others to attend school. Therefore, schools need to work in partnership with pupils, parents, and relevant external support agencies to remove any barriers to good attendance through building strong relationships and working collaboratively to ensure the support is in place to secure good attendance to school. Consequently, achieving good attendance cannot be approached in isolation. Effective practices for improvement will involve a combination of academic and pastoral interventions along with behaviour support and procedures for more vulnerable children with special educational needs or mental health and wellbeing needs.

- 2.6 E-ACT academies are expected to use a range of effective resources, including Pupil Premium funding to support children at risk of, or with, attendance concerns.
- 2.7 Attendance is a key priority for the Trust and the Trust Board. The Education Committee, monitor attendance across the trust and the application of this policy. All staff involved in attendance are expected to have a strong knowledge of good practice in this area and the relevant national and local processes that support this.

### **3 Scope and application**

- 3.1 In line with WTISA, this policy is trust-wide but is fully tailored to the needs of each Academy including through Appendix 1.
- 3.2 This policy applies to the whole Academy (including the Early Years Foundation Stage (EYFS) and/or academy Sixth Form where applicable).
- 3.3 This policy is designed to address the specific statutory obligations on the Academy to record attendance and absence.

## 6 Definitions and interpretation

- 6.1.1 Where the following words or phrases are used in this policy:
- 6.1.2 references to **attendance** include references to punctuality and to attendance for all or part of the timetabled school day.
- 6.1.3 References to the **Proprietor** are references to E-ACT, the Multi Academy Trust.
- 6.1.4 References to **Parent** or **Parents** means the natural or adoptive Parents of the pupil (irrespective of whether they are or have ever been married, with whom the pupil lives, or whether they have contact with the pupil) as well as any person who is not

<sup>3</sup> E-ACT SEND Policy

the natural or adoptive Parent of the pupil, but who has care of, or Parental responsibility for, the pupil (e.g., foster carer / legal guardian).

- 6.1.5 **SLT Attendance Champion** means the Academy's designated senior lead for attendance.
- 6.1.6 References to **compulsory school age** refer to when a child is required to attend school. This is on or after their fifth birthday. ## **7 E-ACT expectations of academies**

In line with DfE expectations, to manage and improve attendance effectively, all academies in E-ACT are expected to:

- 7.1 Develop and maintain a whole school culture that promotes the benefits of high attendance- *Attendance is everyone's responsibility.*
- 7.2 Have a clear school attendance policy which all staff, pupils and parents understand.
- 7.3 Accurately complete attendance registers and have effective day to day processes in place to follow-up absence straight away.
- 7.4 Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and rapidly put effective strategies in place to prevent further absences and secure good attendance.
- 7.5 Build strong relationships with families, listen to, and understand barriers to attendance and work in partnership with families to remove them.
- 7.6 Share information and work collaboratively with relevant local partners, and particularly local authorities, when absence is at risk of becoming persistent or severe.

The DfE use a helpful chart to describe the key stages in any attendance strategy:

### **Expect**

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

### **Monitor**

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

### **Listen and understand**

When a pattern is spotted, discuss with pupils and parents to listen to and understand barriers to attendance and agree how all partners can work together to resolve them.

### **Facilitate support**

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

### **Formalise support**

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through an attendance contract or education supervision order.

### **Enforce**

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the pupil's right to an education.

## **8 The importance of good attendance**

- 8.1 All academies recognise the importance of developing good patterns of attendance from the outset. This is an integral part of the Academy's ethos and culture. In building a culture of good school attendance it recognises:
  - 8.1.1 the importance of good attendance as a learned behaviour, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life.
  - 8.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, safeguarding wellbeing, and support for disadvantaged pupils.
  - 8.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and parents.
  - 8.1.4 that attendance is never "solved" and is a continuous process requiring continual monitoring and tracking of data and updating of messages, processes, and strategies as appropriate to secure good attendance.
  - 8.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse, and child sexual and criminal exploitation.

## **9 Registers**

- 9.1 In line with DfE requirements, academy leaders must ensure the register is taken at the start of each morning session of each school day and once during each afternoon session. On each occasion there must be a record of whether every pupil is present, attending an approved educational activity, absent, or unable to attend due to exceptional circumstance.

9.1.1 Academy leaders in E-ACT are expected to ensure that:

- a) registers are kept up to date
- b) register closing times are specified and adhered to
- c) registers are accurately completed using attendance and absence codes as defined by the DfE's statutory guidance Working Together to Improve School Attendance (August 2024)
- d) there are effective day to day processes in place to follow-up absence quickly.

## **10 Monitoring and improving the attendance of children with a social worker.**

- 10.1 In addition to the benefits for all pupils, good attendance at school also provides an additional safeguard for vulnerable pupils. Historically, the national absence rates for children who have ever needed a social worker are particularly of concern.
- 10.2 All E-ACT academies are expected to work in partnership with Local Authority, Virtual School Headteachers and are expected to inform a child's social worker if there are unexplained or unexpected absences from school.

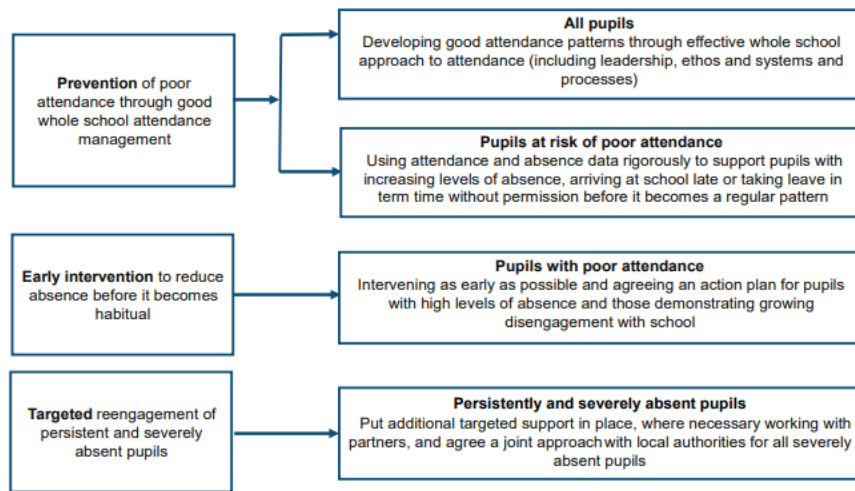

## **11 Persistent and Severe absence**

- 11.1.1 The most important element to attendance work are the everyday strategies to develop a culture of high expectations of attendance and punctuality and the work with families to prevent absence becoming a concern.
- 11.1.2 E-ACT academies are expected to have bespoke strategies to improve the attendance of pupils at risk of 'Persistent' or 'Severe' absence:
- a) 'Persistence Absence' is where absence escalates, and pupils miss 10% or more of school (equivalent to 1 day or more a fortnight across a full school year). When a pupils attendance falls to 90%, they are deemed to be persistent absentee.
  - b) 'Severe Absence' is when pupil is absent from school more than they are present (those missing 50% or more of school). These pupils are likely to be finding it difficult to be in school or face significant barriers to their regular attendance and therefore are likely to need more intensive support across a range of partners.
  - c) These categories of absence will be particularly monitored and analysed at an academy and trust level. All E-ACT academies are expected to provide information to local partners about these cohorts so that pupils who need targeted attendance support receive it as quickly as possible.

The DfE use a helpful diagram to describe the stages of an effective school improvement and management process:

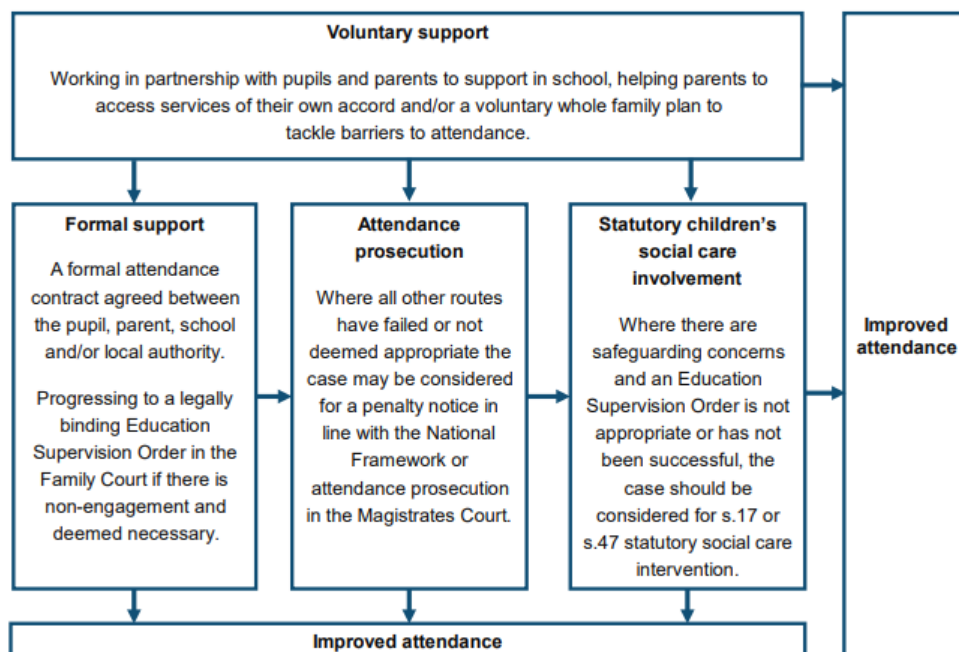

### Effective school attendance improvement and management

## 12 Legal intervention

- 12.1 Where all voluntary support options are unsuccessful or are not appropriate (e.g., an unauthorised holiday in term time) the relevant Local Authority will take forward legal intervention to formalise support and/or enforce attendance as below:

### Providing support first before attendance legal intervention

- 12.1.2 Whilst it is the local authority's responsibility to take forward Parenting Contracts, Supervision Orders or Prosecutions, academies must work closely with the local authority's School Attendance Support Team to provide appropriate information.

Academy leaders are also expected to be familiar with their local authority arrangements so that they can be clear with families, where appropriate, about the process so that this route is avoided wherever possible.

### **13 Responsibility statement**

- 13.1 The Proprietor has overall responsibility for all matters which are the subject of this policy.
- 13.2 The Proprietor is aware of its duties under the Equality Act 2010 and the requirement under S.149 of the Equality Act 2010 to meet the Public Sector Equality Duty. This means in carrying out its functions, the Proprietor is required to have due regard to the need to:
  - 13.2.1 eliminate discrimination and other conduct that is prohibited by the Act.
  - 13.2.2 advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
  - 13.2.3 foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it.

appropriate comparators including data from local authority area, region and nationally.

- 14.1.6 Identify patterns in attendance and common issues and barriers to pupils attending school to ensure that effective practice can be shared across academies within the Trust.
- 14.1.7 Work with Academy leaders to identify areas of focus for improvement.
- 14.1.8 Devise specific strategies to address areas of poor attendance identified through data; and
- 14.1.9 Monitor the impact of school-wide attendance efforts, including any specific strategies implemented.

## **15 Staff responsibilities**

- 15.1 **The SLT Attendance Champion:** The Proprietor has appointed a senior member of staff of the Academy's leadership team to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within the Academy.

#### **15.3 All staff**

- 15.4 The Academy ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and parents about it.
- 15.5 The Academy provides appropriate training and professional development for staff consistent with their roles and responsibilities.

### **16 Academy arrangements**

- 16.1 The Academy will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. Contact details of relevant staff can be found at the front of the policy and other details about the Academy's arrangements can be found in appendices 1-3.

### **17 Monitoring attendance**

- 17.1 The Academy will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the Academy and develop strategies to address them. In order to achieve this, it will:
  - 17.1.1 monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families.

- 17.1.2 use this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and leaders (including the special educational needs coordinator and designated safeguarding lead).
- 17.1.3 conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends.
- 17.1.4 effectively communicate attendance concerns with pupils, parents and carers and work with them to remove any barriers.

- 17.1.7 monitor the impact of school-wide attendance efforts, including any specific strategies implemented; and
- 17.1.8 provide data and reports to the Proprietor to support its work.

## **18 Pupil responsibilities**

- 18.1 School attendance is important to pupil attainment, wellbeing, and development. The Academy therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.
- 18.2 Pupils should be aware that:
  - 18.2.1 they are expected to attend school, on time each school day.
  - 18.2.2 they are expected to attend all timetabled lessons on time.
  - 18.2.3 they should not leave a lesson or the Academy site without permission.
  - 18.2.4 they should engage with the Academy's arrangements for recording and managing attendance as set out in this policy.
  - 18.2.5 any unexplained absence will be followed up.
  - 18.2.6 persistent or severe lateness or non-attendance will result in action being taken by the Academy. This may take the form of:
    - (a) offers of support to seek to identify and address any barriers to attendance.
    - (b) communication with parents/carers.
    - (c) reporting to other agencies such as children's social care.
    - (d) Escalation of cases to the local authority which may lead to formal support or attendance prosecution.
  - 18.2.7 If pupils are having difficulties that might discourage or prevent them from attending school or specific lessons regularly, they should speak to the Academy via

their class teacher/tutor, or pastoral/safeguarding team. Pupils are entitled to expect this information to be managed sensitively.

## **19 Additional needs**

- 19.1 The Academy recognises some pupils may find it harder than others to attend school and will work with those pupils and parents/carers to try to remove barriers to attendance by building strong and trusting relationships and work together to put the right support in place.
- 19.2 The Academy will make reasonable adjustments where a pupil has a disability that affects their ability to attend school regularly. These may include considering support or reasonable adjustments for transport, routines, access to support in school and lunchtime arrangements, and / or time limited phased returns.
- 19.3 It will also work with parents to develop specific support approaches for attendance for pupils with special educational needs and disabilities and medical conditions as appropriate e.g., ensuring the provision outlined in a pupil's education, health and care plan is accessed.
- 19.4 Where barriers are outside of the Academy's control, the Academy will work with parents, pupils, and external agencies / partners to identify alternative sources of support or consider, where appropriate, making a referral for early help.

## **20 Parent/carers responsibilities**

- 20.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. **It is the legal responsibility of every parent/carers to make sure their child receives that education.**
- 20.2 Where frequent sporadic illness occurs without sufficient justification in relation to health, the Academy will challenge the veracity of the illness and request that medical evidence be provided by the parent to authorise the absence (I code).
- 20.3 The Academy expects parents/carers to:
  - 20.3.1 ensure their child attends school every day on time and remains in school for the duration of the school day.
  - 20.3.2 notify the Academy of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this.
  - 20.3.3 understand that any appointments where possible need to be made for out of school hours to avoid their child missing any learning. Orthodontic appointments, specialist medical appointments and hospital appointments we recognise cannot always be moved to out of school hours.
  - 20.3.4 notify the Academy of any planned absence in advance and understand that this would be for exceptional circumstances only. This is in line with the Department for Education guidance which states that holidays and other leave of absence should not be taken during term time unless there are exceptional circumstances.

Exceptional circumstances are a matter of discretion of the principal. All cases would be judged on a case-by-case basis.

- 20.3.5 work with the Academy to explore barriers to attendance and to improve it where attendance has been raised as an issue.
- 20.4 Parents will be reminded of this policy at the start of each new school year and when any changes are made.

## **21 Training**

- 21.1 **Staff:** The Academy ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:
  - 21.1.1 the law and requirements of schools including on the keeping of registers.
  - 21.1.2 the importance of good attendance and that absence is always a symptom of wider circumstances; and
  - 21.1.3 the Academy's strategies and procedures for tracking, following up and improving attendance.
- 21.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral, or family support staff and senior leaders. This should include:
  - 21.2.1 the law and requirements of schools including on the keeping of registers.
  - 21.2.2 the process for working with other partners to provide more intensive support to pupils who need it.
  - 21.2.3 the necessary skills to interpret and analyse attendance data; and
  - 21.2.4 any additional training that would be beneficial to support pupils and pupil cohorts to overcome commonly seen barriers to attendance.
- 21.3 The Academy will help parents/carers to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short- and long-term consequences of poor attendance.
- 21.4 The Academy maintains written records of all staff training.

## **22 Information and sharing**

- 22.1 Personal information on attendance will only be shared in line with legal obligations and having regard to Government guidance on attendance, safeguarding and children missing education.

**23      Record keeping and confidentiality.**

- 23.1    All records created in accordance with this policy are managed in accordance with the Academy's policies that apply to the retention and destruction of records.
- 23.2    The information created in connection with this policy may contain personal data. The Academy's use of this personal data will be in accordance with data protection law. The Academy has published privacy notices on its website which explains how the Academy will use personal data.

## **Appendix 1 -Academy Arrangements**

### **E-ACT The Grange Attendance Arrangements**

#### **The importance of having good attendance and punctuality**

Regular and punctual attendance to school is an essential prerequisite to effective learning. When students are not in school they are deprived of the educational opportunities which the academy has to offer them and they are at greater risk of subsequently becoming socially excluded and disadvantaged.

It is the legal responsibility of parents and those with 'parental responsibility' to secure education for their children of compulsory school age whether at school or 'otherwise', and, if they are at school, to send them to school regularly.

It is the academy's responsibility to support the attendance of its students and to deal with problems which may lead to non-attendance. E-ACT The Grange recognises that attendance problems may be outside the control of the academy but may also lie within it, having their origin in the quality of education which that student is experiencing. As such, better attendance may be achieved by identifying and remedying barriers in that individual's education.

We need to ensure that in addition to increasing the levels of overall attendance we also reduce the numbers of persistent absentees. (A persistent absentee is when a student's attendance rate falls below 90%) E-ACT The Grange will seek to promote good attendance and punctuality through other policies and procedures including the Behaviour Policy the Learning Policy as well as the academy's approach to rewards and recognition. This Attendance Policy and Attendance Management Procedures outline the practice and procedures in place together with the stages of intervention adopted to promote good attendance and reduce persistent absenteeism.

It is intended that through our attendance procedures, awareness of the intolerance of good attendance will be raised and a coherent and consistent approach to promoting and securing good attendance will be established across the academy. This will drive E-ACT The Grange's expectation to meet a whole school attendance target of 97% (at least national average).

#### **The intended outcome of this policy is:**

- To improve the overall percentage attendance of students registered at E-ACT The Grange.
- To make attendance and punctuality everybody's responsibility at E-ACT The Grange.
- To develop a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.
- To work in partnership with parent/carers and students, providing support, advice and guidance
- To develop a systematic approach to gathering and analysing attendance-related data. Identifying patterns of absence early and providing targeted support to avoid further absences,
- To implement a system of rewards and sanctions with respect to attendance and punctuality
- To promote the benefits of high attendance.
- To promote effective partnership with West Northamptonshire Education Welfare Services and other agencies.
- To recognise the needs of the individual student when planning reintegration following a significant period of absence.

- To follow E-ACTs graduated response to secure regular attendance to school.

**Senior Leader Attendance Champion:** Elaine Wagg

### **School Times**

E-ACT The Grange expects all pupils to arrive to school every day by 8:40am ready for line up. Registration will start at 8:45am. Pupils arriving after 8:50am will be marked as late ('L' code). Pupils arriving after 9:15am will be marked as U code (absence).

Afternoon registration will be taken at 1pm; afternoon register will close at 1:05 pm. The academy day ends at 3:15pm. Children will be collected or attend after school clubs or provisions.

### **AM/PM Registration Opening and Closing Timings**

By law E-ACT The Grange School is required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- a. Present
- b. Attending an approved off-site educational activity
- c. Absent
- d. Unable to attend due to exceptional circumstances

The register for the first session will be taken during registration and will be kept open until 8:50am. The register for the second session will be taken at 1:00pm and will be kept open until 1:05pm.

### **Amending the Attendance Register**

Any amendments to the attendance register will include:

- e. The original entry
- f. The amended entry
- g. The reason for the amendment
- h. The date on which the amendment was made
- i. The name and position of the person who made the amendment

Every entry in the attendance register will be preserved for 6 years after the date on which the entry was made.

### **Late Procedures**

Punctuality is an important life skill; E-ACT The Grange strives on ensuring students understand the importance of arriving to school and lessons on time.

Our expectation is that all pupils must arrive to school by 8:45am.

Our late procedures are as follows:

- A pupil who arrives late, after gates/doors have closed at 8:50am, need to attend the school office and be marked in through the Inventory system with a detailed reason for lateness provided.
- A pupil who arrives after 9:15 am also needs to attend the school office, be marked through the Inventory system with a detailed reason for lateness provided. They will be marked as a U code (absence). This contributes to the pupil's attendance data.
- Lates will be reviewed weekly by the attendance team and meetings will be arranged to discuss ways forward to reduce the number of lates.
- It may be appropriate to refer to the Local Authority where concerns persist.

### **Absence Reporting Process**

#### **Unplanned Absence**

- Parents must notify the school on the first day of an unplanned absence by calling 01327 705785 (option1) before 8.30am or as soon as practically possible. They should call E-ACT The Grange School on each morning of a longer-term absence unless a doctor's note has been provided stating that a defined period of absence is necessary.
- If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, appointment card or other appropriate form of evidence.
- If the E-ACT The Grange School is not satisfied about the authenticity of an illness, the absence will be recorded as unauthorised and parents will be notified of this.
- If the E-ACT The Grange School has not been notified of the reason for absence the Attendance Officer will arrange for them to be contacted, by phone, text and email using Group Call text messaging service. If reasons for absence are not provided, the school will complete a home visit.
- The reasons for absence will be recorded on SIMS Lesson Monitor so that staff can be informed of absence.
- Where there has been no contact from parent/carer giving reasons for absence the Attendance Officer will follow the school absence procedure to investigate the reason for absence as follows. A phone call will be made and home visits may take place. If an absence exceeds 3 days a home visit **will** take place.
- If the home visit is unsuccessful the Academy may call upon the Local Authority Services to support us to ensure the child/children's safety.

### **Authorised and Unauthorised Absence**

The Headteacher will not grant any leave of absence to students during term time unless they consider there to be 'exceptional circumstances'. The Academy considers each application for term-

time absence individually, taking into account the specific facts circumstances and relevant context behind the request. A leave of absence is granted entirely at the Headteachers discretion.

Valid reasons for authorised absence include:

- Illness and medical appointments:
- Genuine illness unless your child has been classed as having Persistent Absence.
- A medical appointment that could not be made outside of school hours
- Being in the hospital or having hospital treatment
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Attending an interview or looking at another school.
- Taking part in an off-site examination

**The Headteacher will not authorise absence for any of the following reasons:**

- Term-time holidays (including visiting family abroad)
- Study leave
- Trivial illness
- Looking after the house or waiting for workmen/deliveries etc
- Looking after siblings, including dropping them off at school/nursery
- Helping with housework or a family business
- Being unhappy or not getting on with others at school
- Being up late the night before, including for family problem
- Feeling a under the weather
- Needing to take medication

**This is not an exhaustive list.**

### **Absence Request Process**

**Parents have a legal responsibility in accordance with Section 7 of the Education Act 1996 to ensure their child receives efficient full-time education by regular attendance at school.** The Department for Education guidance states that holidays and other leave of absence (including that

for religious observance) should not be taken during term time unless there are exceptional circumstances. Exceptional circumstances are a matter of discretion of the Headteacher, Mrs Ley.

All cases will be judged on a case by case basis. Leave of absence applications must be made in writing at least twelve (12) days before the intended leave. Supporting evidence should be provided at the time of the request.

**Medical appointments and dental appointments** should not be made during school hours. Where this is not possible, the school should be notified in advance and students should be out of school for the minimum amount of time necessary. Parents must notify the school in advance of a planned

medical or dental appointment by calling the attendance line. Only then will the absence be authorised.

### **Contacting the Pastoral Team for Additional Support**

If your child is having any issues in school, please do not keep them at home. You are able to contact the relevant year team staff using the information below. Please note, if you choose to keep your child off school without contacting the academy for support, the absence will be deemed to be unauthorised.

If you require support please contact the Attendance Team:

### **Reporting to parents**

Parents will receive a written report on their child's attendance each half term. In addition to this parents/carers will receive attendance information about their child parents/carers evening.

### **Addressing Poor or Declining Attendance**

At the E-ACT The Grange we work diligently to help students attend well. We will communicate regularly with parents and always provide support to overcome barriers to good attendance.

We address poor attendance through our graduated response:

### **Attendance monitoring**

- The attendance officers monitor student absence on a daily basis.
- If a student's absence shows patterns of absence which are unusual or includes unauthorised absences we will contact the parents to discuss the reasons for this.
- The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee.
- If strategies are insufficiently successful in improving attendance, a referral will be made to the Local Authority's Education Welfare Service and may result in the issue of a formal warning notice.

Student-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, local average and share this with the E-ACT. The academy tracks the attendance of individual students to identify whether or not there are particular groups of children whose absences may be a cause for concern. We use this information to identify any children who may be in need of intervention and support. Patterns of attendance and the impact of strategies to improve attendance are monitored internally by the Headteacher and additionally by E-ACT.

### **Recognising Good Attendance and Punctuality**

At E-ACT The Grange we will use a range of measures to praise and reward students who meet their attendance and punctuality targets. This will often include achievement assemblies where students will receive recognition and reward for high levels of attendance and excellent punctuality and be entered into rewards. We will also recognise students who make significant improvements to their attendance or punctuality.

### **Additional Support and Reasonable Adjustments**

E-ACT The Grange recognises that some young people face challenging barriers that might impact their ability to attend school regularly. We work closely with families and outside agencies to provide additional support to mitigate these barriers. This includes onsite provision to facilitate a transition to full time education.

### **Academy Strategy for addressing Persistent and Severe Absenteeism**

To prevent a child's attendance falling below 90% the academy has a range of support strategies in order to re-engage our young people with their learning. This will include seeking student voice, working together with families to overcome barriers, and seeking support from wider services. If the academy is unable to successfully engage with families and unexplained absence continues support will be formalised in conjunction with the Local Authority.

### **Legal Sanctions**

E-ACT The Grange will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### **Penalty notices**

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the academy will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the academy has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

### **Notices to improve**

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with local authority processes set out in the local code of conduct.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## **Appendix 5 Admission register**

### **1 Admission register**

- 1.1 In accordance with the requirements of the Education (Pupil Registration) (England) Regulations 2006 (as amended), the Academy will:
  - 1.1.1 maintain an admission register of pupils admitted to the Academy (also known as the school roll); and
  - 1.1.2 inform the local authority of any pupil who is going to be added to or deleted from the Academy's admission register at non-standard transition points.
- 1.2 The admissions register contains specific personal details of every pupil in the Academy, including their date of admission, information regarding parents and carers and details of the school they last attended.
- 1.3 The Academy will not 'off-roll' pupils, that is, it will not remove a pupil from the school roll without a formal, permanent exclusion or by encouraging a parent to remove their child from the school roll, when the removal would be primarily in the interests of the school rather than in the best interests of the pupil.
- 1.4 Where the Academy notifies the local authority that the pupil's name is to be deleted from the admission register, the Academy must provide it with the following information:
  - 1.4.1 the full name of the pupil.
  - 1.4.2 the full name and address of any parent with whom the pupil lives.
  - 1.4.3 at least one telephone number of any parent with whom the pupil lives.
  - 1.4.4 the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable.
  - 1.4.5 name of the pupil's other or future school and pupil's start date or expected start date there, if applicable.
  - 1.4.6 the ground (set out in regulation 9 (1) or (3) under which the pupil's name is to be deleted from the admission register.

## **Appendix 6 Attendance register**

### **1 Attendance register**

- 1.1 Attendance of compulsory school-aged pupils is recorded and monitored in accordance with the statutory requirements and the Academy has adopted the national codes system to enable it to monitor attendance and absence in a consistent way which complies with the regulations.
- 1.2 The attendance of non-compulsory school age will be recorded in the same way so that attendance can be monitored, unexplained absences are investigated, and the Academy can ensure their safety and welfare.
- 1.3 The Academy will also use these records to identify patterns of poor attendance (at individual and cohort level) and work with pupils and parents to resolve any issues before they become entrenched.
- 1.4 The Academy is required by law to take attendance registers twice daily - once at the start of the morning session and once during the afternoon session.
- 1.5 On each occasion it will be recorded whether every pupil is:
  - 1.5.1 present.
  - 1.5.2 absent.
  - 1.5.3 attending an approved educational activity.
  - 1.5.4 unable to attend school due to an exceptional circumstance.

## **2 Recording absence**

- 2.1 Absence will be recorded as set out in **3** and **5** below using national absence codes correlating to:
  - 2.1.1 authorised absence.
  - 2.1.2 excluded (while still on the admission register).
  - 2.1.3 holiday authorised by the Academy.
  - 2.1.4 illness.
  - 2.1.5 medical or dental appointments.
  - 2.1.6 religious observance.
  - 2.1.7 study leave.
  - 2.1.8 Gypsy, Roma, and Traveller absence.

## **3 Authorised absence from school.**

- 3.1 All applications for authorised absence from school should be made with reasonable notice and addressed to the Headteacher.
- 3.2 Only exceptional circumstances will warrant an authorised leave of absence. The Academy will consider each application for authorised absence individually taking into account the specific facts and circumstances and the relevant background context behind the request.

- 3.3 If a leave of absence is granted, it is for the Headteacher to determine the length of time the pupil is authorised to be away from school.
- 3.4 Absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which parents and pupils belong. Parents are expected to make a request for this type of leave of absence in advance.

#### **4 Remote education**

- 4.1 The Academy is required to record all absence from in-person lessons.
- 4.2 The Academy may, in limited circumstances, provide remote education to enable pupils, who are well enough to learn but unable to attend the Academy site, to keep pace with their education.
- 4.3 The Academy must ensure pupils accessing remote education are marked as absent on the register using the most appropriate absent code (para 311 in WTISA 2024). Separate records will be maintained to monitor a pupil's engagement with this activity and plans for their reintegration to class.

#### **5 Unauthorised absence**

- 5.1 The "unauthorised absence" code will be used when prior permission for absence has not been given and where the Academy is not satisfied with the explanation given for absence or delayed attendance meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate. Examples include:
  - 5.1.1 holiday has not been authorised by the Academy or is in excess of the period determined by the Headteacher.
  - 5.1.2 the reason for absence has not been provided.
  - 5.1.3 a pupil is absent from school without authorisation.
  - 5.1.4 a pupil has arrived in school after registration has closed and without reasonable explanation.
  - 5.1.5 frequent sporadic illness without sufficient justification in relation to health.
