Features and Benefits

Amazon Video parental controls give you the ability to set restrictions for the video content that can be purchased or viewed on your connected devices. You are required to register an account and log in to each device before you can stream content.

What specific content can I restrict?

In App purchasing

Innapropriate content

What do I need?

You will need to have registered an Amazon account and enabled Amazon Prime. To set a PIN you will need your Email address and password to access your account.

Amazon Prime Video guide

Go to www.amazon.co.uk and select "Sign in".
